

Directions

Tübingen main station → Computer Science Department

(1) By bus

Practically all bus lines stop at the main station *Tübingen Hauptbahnhof*, including line 2. If you take line 2 (direction *WHO Ulmenweg*, not *Mühlbachäcker*) it will get you straight to the department at station **Sand Drosselweg**. The walk from there is less than 5 minutes.

You will have to buy tickets inside the bus at the ticket machine. A regular ticket costs around 2.50 € and is valid for 2 hours inside of Tübingen. The daily ticket costs around 5 €.

(2) By foot

Since Tübingen is relatively small, most places can be reached by foot. A walk from the main station to the department will take you roughly 45 minutes.

(3) By car/taxi

If you go by car or take a taxi, the right address is **Sand 6**. Please drive through the main gate and stop at the building on the left. Parking at the department is not an issue, as there are parking lots available at the department (see map).

Where to find us at the Computer Science Department

Coming from *Drosselweg*, go through the main gate and turn left. Walk across the parking lot and go behind the building labeled Sand 6. There is a door with a dial pad where you can select (with arrow buttons) which office you want to ring. We will then open the door for you.
