Directions to Experimental Cognitive Science work group (Prof. Volker Franz)

Tübingen main station → Our offices at the Computer Science Department

(1) <u>By bus</u>
Practically all bus lines go through the main station *Tübingen Hauptbahnhof*. Take the line line 2 (direction *WHO Ulmenweg,* not *Mühlbachäcker*). You can check the connections at the local transport page (http://www.naldo.de). Inside the bus, you will have to buy a ticket at the ticket machine: A regular ticket (Einzelfahrschein) costs around 2.50 € and a daily ticket around 5 €. After 10-15 minutes, you will arrive at *Sand Drosselweg* — make sure to press the red "Halt" ("stop") button so that the bus actually stops there. From the bus stop, follow the map below to our offices; walking takes less than 5 minutes.

(2) <u>By foot</u>
Since Tübingen is relatively small, most places can be reached by foot. A walk from the main station to the department will take you roughly 45 minutes.

(3) <u>By car/taxi</u>
If you go by car or take a taxi, the right address is **Sand 6.** Please drive through the main gate and stop at the building on the left. Parking at the department is not an issue, as there are parking lots available at the department (see map).

On the back of the Sand 6 building, there is a door with a dial pad where you can select (with arrow buttons) which office you want to ring (OK button). We will then open the door for you.

→ Tübingen by plane

Fly to Stuttgart Airport (STR).

Then take bus line 828 from "Stuttgart airport" to "Tübingen main station" (runs about once every hour, takes about an hour). You can look for connections on the on the german railway page (https://www.bahn.de). You will have to buy a ticket from the bus driver for around 10 Euros.

You can also take a taxi from Stuttgart airport to Tübingen, but this costs about 50€.

→ Tübingen by train

Take the train to Tübingen main station ("Hauptbahnhof''), here is the link to the page of the german railway (https://www.bahn.de).
